Be a *HERO.*

The World's Most Versatile Camera

2012 CATALOG

Think it. See it. Do it.

We dream. We have passionate ideas about what's possible in this world. Our passions lead us to create experiences and realities that expand our world and inspire those around us.

GoPro's focus is to help you capture and share your life's most passionate experiences, to celebrate them with others. Like how a day on the mountain with friends is more fun than one spent alone, the sharing of our collective experiences makes our lives more meaningful, more *fun*.

The world's most versatile camera is what we make.
Enabling you to capture and share your life *is what we do*.

This is your life...GoPro.

MOUNTS + ACCESSORIES

Wear it. Mount it. Love it.

The world's most versatile camera is only as good as its mounts.
Our obsession is your gain.

LCD BacPac™

The LCD BacPac is a detachable LCD screen for HD HERO and HD HERO2 cameras. As a removable accessory, the LCD BacPac keeps your camera as small and light as possible, yet provides the convenience of an LCD screen when attached.

MSRP: US $79.99
Model No: ALCDB-001

Battery BacPac™

The Battery BacPac works as both a charger for your spare HD HERO and HD HERO2 batteries and plugs into the back of camera models to nearly double record times. Perfect for long duration Time-Lapse photo sessions, endurance motorsports racing or any application where you need up to 2X* the battery life.

Actual battery life may vary.

MSRP: US $49.99
Model No: ABPAK-001

3D HERO® SYSTEM

The 3D HERO System allows you to combine two HD HERO or HD HERO2* cameras to record 3D video and photos while simultaneously recording in 2D. Included 3D editing software — CineForm Studio — allows you to easily convert the 2D video or photo files into usable 3D content to watch on your computer, online at video sharing sites like YouTube that support 3D videos or on your 3D television using active or passive shutter glasses depending on your 3D TV.

** Cameras are not included. The 3D HERO System is NOT compatible with the HD HERO 960 or standard definition GoPro cameras. The HD HERO2 will be compatible with the 3D HERO System via firmware update December 2011.*

MSRP: US $99.99
Model No: AHD3D-001

Wi-Fi BacPac™ and Wi-Fi Remote™ Combo Kit

AVAILABLE WINTER 2012

Wi-Fi-enable your HD HERO2 or original HD HERO camera with the Wi-Fi BacPac™ and Wi-Fi Remote™.

The Wi-Fi BacPac attaches to your HD HERO2 camera to enable long range video remote control via the Wi-Fi Remote or a smartphone / tablet / computer running a free GoPro App. Waterproof and durable, the Wi-Fi Remote enables complete control of up to 50 HD HERO2 cameras at a time.

When paired with the Wi-Fi BacPac, the HD HERO2 also supports live video streaming and remote control via smart-devices, computers and the Web wherever Wi-Fi or a mobile hotspot is present. Record one video stream to your HD HERO2's SD card while sending a second video stream via Wi-Fi to your smart-device, computer or the Web.

The original HD HERO is also compatible with the Wi-Fi BacPac and Wi-Fi Remote with support for remote control functions only. Video streaming is not available on the original HD HERO camera.

MSRP: US $99.99

FLAT LENS HOUSING

AVAILABLE WINTER 2012

The Flat Lens Housing provides maximum photo and video sharpness underwater in all resolutions.

The HD HERO's standard housing features a curved lens to maximize a wider field of view above water while keeping the lens as small as possible. While brilliant for above water use, the curved lens reduces the sharpness of photos and videos when used underwater. The Flat Lens Housing features a large, flat lens that captures sharp photos and video above and underwater in any resolution setting. Waterproof to 197ft/60m, the Flat Lens Housing is ideal for diving, snorkeling, and any underwater filming scenario.

The Flat Lens Housing is compatible with the HD HERO, HD HERO2, and all GoPro mounts and accessories.

MSRP: US $49.99
Model No: AFLTH-001

HD HERO WRIST HOUSING

Wear your GoPro camera like a watch. Secures camera flat against wrist during your activity. Allows camera to securely pivot upright for capturing footage. Waterproof 197' / 60m. Fits over ski gloves and jackets, one size fits all. Compatible with both HD HERO and HD HERO 2 cameras.

MSRP: US $39.99
Model No: AHDWH-001

SURFBOARD MOUNT

Attach your GoPro camera to surfboards and other gear where maximum holding strength is needed. Includes FCS™ compatible male plug for attaching to FCS fin plug.

MSRP: US $19.99
